August 30, 2005

Dear Bankruptcy Practitioners:

Good news! Our office can now accept electronic ACH payments directly from a debtor's bank account.

It's simple! Just fill out the attached form and send it to our office with a voided check or deposit slip.

This new ACH payment method will be convenient for self-employed people and those people collecting social security, retirement, or other similar fixed income.

Call if there are any questions.

Sincerely,

Chris List  
Controller
